

Dear Parents.

Thank you for entrusting your child's care to Busy Beez Kidz Clubhouse. We are grateful for your confidence and belief in our abilities. When you are a parent, it becomes clear just how important the quality of childcare is to the overall development of your child. As a mother of four beautiful children, I truly understand the importance of TRUSTING a provider to care for your child(ren). As parents, we love our children so deeply, and we need the peace of mind that we've found a center where the provider truly cares about our children. Many families have many different reasons why they need childcare-work, school, volunteering, etc. Whatever your reason, you can be assured that your child is safe and secure with us.

Recent research shows us that the early childhood years are the most important years in our lives. A well-rounded, safe, nurturing experience during that time forms the basis for how we learn and adapt for the rest of our life. Time spent at a childcare center plays an important part in that development.

We are proud to offer the following elements to our program:

- School-based curriculum
- Ongoing communication with parents, i.e. quarterly newsletter
- Weekly Posting of curriculum
- Parent-teacher conferences
- Infant and toddler dally communication sheets

Busy Beez Kidz Clubhouse is founded on the cooperative efforts of the children, staff, and the parents. I recognize environment is so important for children, and I really take pride in being able to make a difference in the individualized care provided by a home daycare. We provide a homelike environment for children to be exposed to each and every day. Surrounding children, with a beautiful classroom that is safe, comfortable, and educational is a priority for me as an owner and as a mother. I also understand that maintaining a clean center is necessary to ensure that children are as healthy as possible and that the center feels wonderful for our little ones to be a part of every day. I thank you for sharing your child with us, and I look forward to the pleasurable days we will have together at Busy Beez Kidz Clubhouse.

Sincerely,

Deshawn Thompson, Owner/Operator
